## PRESIDENT'S MESSAGE

Anne Mosakowski, President – Delaware County PASR

As I write this message to our membership, the word **Service** comes to mind. Our Chapter motto, **"To serve, not to be served,"** is not only important to our Chapter but to our communities. On our Chapter website, [www.delcopasr.org](http://www.delcopasr.org), the **"About"** page states: *We are retirees from public schools in Pennsylvania and are now receiving benefits from PSERS. We serve fellow retirees, our colleagues still working in schools and members of the general public through a wide variety of **volunteer activities**. We are activists and individuals committed to promoting change. **We strive to advance the social and economic welfare of all school retirees, improve our system of public education, and make our communities a better place to live.***

On our membership brochure we also stress the **importance of service**, which states that **"in a given year PASR members statewide volunteered more than 9 million hours"**. In each newsletter (see p. 11) and at our luncheon events, we encourage our members to share their **volunteer activities** by completing the **Community Service Survey**, which can also be found on our website on the **Community Service Page**, [www.delcopasr.org/community-service](http://www.delcopasr.org/community-service). Another committee that provides **direct service to our members** is the **Social Services Memorial Honor Fund** (see p.10), [www.delcopasr.org/social-service-memorial-honor-fund](http://www.delcopasr.org/social-service-memorial-honor-fund), which serves our retired public school employees in need of financial and emotional support.

In November during our **Celebration of Service Luncheon** scheduled for Wednesday, November 7, 2018, at the Granite Farms Estates, we take the time to recognize the importance of being part of an organization that **values service** to our members and to our communities. I hope you will consider joining us and/or completing the Community Service Survey and/or joining a service committee so our Chapter can celebrate all that we do and be **PASR Proud!**

Anne

# COLA: IT'S THE REAL THING

## A GENUINE POSSIBILITY FOR 2019

LEGISLATIVE AND L/PEC FALL, 2018, UPDATE

Steve Kupsov  
Legislative and  
L/PEC Chairs  
Delaware County

### **POSITION PAPER COURTESY OF DAVID NOYES**

It has been sixteen (16) years since PSERS and SERS annuitants have received a Cost of Living Adjustment (COLA). It is understandable that there is uncertainty and doubt that it will happen soon. Act 9 of 2001 in Pennsylvania gave potential annuitants the opportunity to increase their annual pension by electing to increase the multiplier in the pension formula from 2.0% to 2.5%. There was no adjustment for retirees who left service prior to Act 9 of 2001. Because it was perceived that Act 9 was so generous to retirees of the State and School Districts, legislators have not authorized a COLA since 2002.

It is no secret that fixed incomes have suffered due to the cost of living and inflation over the past sixteen years. With no COLA the annual pension continues to have less buying power. That fact is equivalent to having a reduction in the annual pension every year of retirement.

Many retirees who retired prior to the legislation of 2001 find themselves in dire straits regarding their pension and increased living costs. The most extreme examples have to do with the seven remaining retirees of schools from the 1960's. Their average annual pension from PSERS is a meager \$9,000 per year, a figure well below the poverty level. Some pre-Act 9 retirees do not even receive Social Security benefits. It is obvious that these circumstances cannot be allowed to continue and a COLA must be passed by the Pennsylvania Legislature.

The COLA will happen. It will not come about, however, in 2018, an election year. Work has been steady at the time of this writing to ensure its future passage, with PASR at the forefront of the initiative. The organizations for whom the COLA is of great importance will need to unite to form a coalition for its eventual passage. Among the groups to work with PASR include Pennsylvania State Education Association Retired (PSEA-R), Pennsylvania Association of Retired State Employees (PARSE), and Pennsylvania State Troopers Association (PSTA). It is expected that support for a COLA will also come from Pennsylvania Federation of Teachers (PFT), American Federation of State County and Municipal Employees (AFSCME) and Service Employees International Union (SEIU).

PASR is working closely with PSERS to ensure that the costs and legislative language of a COLA are practical and feasible. Mark McKillop, PASR Executive Director, and Jeff Hunsicker, PASR lobbyist, have put the COLA initiative at the forefront of their legislative and political concerns. Their expertise and energy speak well for the future of a cost of living adjustment. Their work is fully supported by the PASR Board and the Legislative Committee and Legislative/Political Education Committee (L/PEC) of PASR.

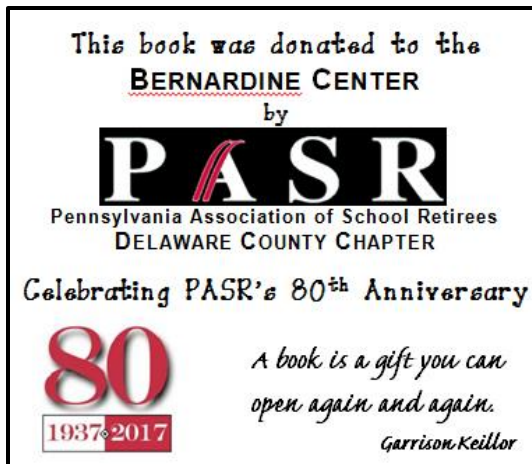

Mark and Jeff in their communications with legislators and potential coalition organizations, emphasize two main points with respect to a COLA: 1.) PASR advocates a COLA for all retirees, with emphasis on Pre-Act 9 annuitants and 2.) The COLA Coalition will explore all sources of revenue to fund an annual COLA including non-traditional sources.

A COLA is long overdue for Pennsylvania public pension annuitants. Rest assured that its eventuality is a major PASR concern and initiative. Because the COLA passage is a "wedge issue", the 2018 election and future Pennsylvania elections will be determining factors. It will take a lot of work and support from across the State to make it happen. Only then, will the long-awaited Cost of Living Adjustment become the real thing.

# 80+ BOOK DONATION MARKS PASR 80TH ANNIVERSARY

This year, each chapter was tasked with commemorating PASR's 80th anniversary celebration in some way. Our Delaware County Chapter marked the event by donating 80+ books to the **BERNARDINE CENTER** in Chester, Pennsylvania. Bookplates were designed to identify the gift books, and members gathered to sort and label the books.

The mission of the Bernardine Center is to provide a helping hand to low-income Chester area residents. The center director said that the books are a welcome addition to the family education programs offered by the Center.

## 2018 Installation Ceremony

At our Chapter meeting in April, 2018, Judith Guise, Region 1 Director, (far right) conducted the installation ceremony for our Chapter officers and committee chair: Anne Mosakowski, President (Front), Kathryn Flagg, Secretary (L), John Della Guardia, Social Services and Memorial Honor Fund and Newsletter Chair (Center), Harry Hill, III, Treasurer (R). A full list of the leadership team is posted on our website, [delcopasr.org](http://delcopasr.org), on the Chapter Leadership page.

After the installations, outgoing Chapter President, Steve Kupsov, presented our new President with two gavels. The smaller one is for calling meetings to order. The larger is for the times when greater emphasis is required. Following the gavel presentation, Anne presented Steve with an award plaque for his dedicated three years of service to Delco PASR. Steve will continue to serve as the Legislative & L/PEC chair.

## Membership Directory Report

Some good news: Last year the State membership committee adopted a “unified database”. Now, our local Chapter membership file is a separate file in the State database. The state committee can now send us the names of State members from Delaware County who are not local DELCO members. Hopefully, we may be able to encourage these members to join our chapter.

Some sad news: This year, 33 annual members who have not renewed for three years since 2012 have been removed from the membership file. Unfortunately our membership has gone down from 1038 to 849 members since 2012 due to some passing away, unable to locate or non renewal. If you know a retired DELCO school district employee who is not a member of DELCO PASR, please ask them to join. In the past, new members have joined us because of a personal invitation from someone they know.

## Social Service Memorial Honor Fund (SSMHF)

The function of PASR's Social Service Memorial Honor Fund (SSMHF) is to help members in need. That is, retirees who become ill and are confined to their home, hospital or skilled nursing facility; become a victim of a catastrophe; or experience severe financial stress.

### What is the Fund Used For?

The fund exists to help members in need, to provide moral support, offer financial assistance, and to provide gifts and visits to the sick and

“homebound.” Contributions to the MHF are used entirely for helping members in times of emotional and financial distress. All administrative costs are paid from the PASR General Fund, not taken from contributions to the MHF.

Since the SSMHF's inception, statewide the Association has provided more than \$100,000 in direct financial aid to

members in serious need. For some, the assistance has come in the form of a stipend to help with ongoing living expenses. For most, the Fund has helped fix or buy something the person could otherwise not have afforded. Statewide, hundreds of needy members have benefitted over the years from home repairs in the wake of fires and tornadoes, car repairs, purchase of handicapped equipment, debt reduction, etc. — all provided through the generous contributions that members gave to the MHF. Often, emotional support is more important than direct financial assistance.

### How can you help?

Of course, donations are always welcome, and it is only through donations that the SSMHF will be able to continue to assist members in need. Another way to help is by sharing information. Let members in need know that help may be available through the Delco SSMHF. More information is available on the Delco PASR website, [delcopasr.org](http://delcopasr.org), or contact the Delco SSMHF committee chair, John Della Guardia, 610-420-6749

## COMMUNITY SERVICE SURVEY

**To ALL PASR MEMBERS – Thank you for being a volunteer in our community!**

PASR Chapters are interested in documenting the hours of service that volunteer retirees contribute to their local communities. In doing this, our volunteers show the community at large a positive picture of the activities of public school retirees. Please take a moment to complete this form, filling in the appropriate number of hours PER YEAR that you volunteer. A summary of this information is shared with AARP, NRTA, and PASR Headquarters.
