On behalf of the Delaware County Chapter of Pennsylvania Association of School Retirees (PASR), we wholeheartedly express our gratitude for Robert (Bob) Collier's extraordinary dedication, which has played a pivotal role in some of the Chapter's accomplishments. His enthusiasm for labor relations, formidable approach to fair representation in the workforce, hard work, devotion, and unwavering commitment to the

principles of PASR and leadership roles have left a profound mark. It is with honor and respect that Bob is being posthumously recognized.

## **Henry (Hank) Field**

Henry (Hank) Field consistently demonstrated exceptional dedication and proficiency in managing the Delaware County Chapter of the Pennsylvania Association of School Retirees (PASR) Membership Directory. His meticulous attention to detail, unwavering commitment to accuracy, and remarkable organizational skills significantly improved the efficient management of our members' vital information.

The Chapter awarded him the John Dillon Award for his outstanding service to our chapter and its members. It is with great honor and respect that Hank is being posthumously recognized.

## **Stephen K. Kupsov**

Stephen (Steve) Kupsov made invaluable contributions to the efforts of the Pennsylvania Association of School Retirees (PASR). He will always be remembered for his unwavering commitment and relentless advocacy on behalf of our PASR members, ensuring their right to a Cost of Living Adjustment (COLA). In recognition of his outstanding service, he was honored with both the Frank McKillop and John Dillon awards, two of the most prestigious

awards for loyalty to PASR. We posthumously honor Steve with profound respect for upholding and advancing the ideals of selfless service and unwavering dedication in promoting our members' interests and addressing their needs.

## **Dr. Margaret K. Wales**

Dr. Margaret Wales admirably maintained our organization's newsletter while also serving as the Resolution Committee Chairperson. Beyond these responsibilities, Dr. Wales was a shining example of leadership and a dedicated advocate for community service. Even in retirement, her unwavering dedication to education persisted. Margaret's tireless commitment and boundless enthusiasm have left an indelible mark, and we extend our heartfelt appreciation for her exceptional service. With the utmost honor and reverence, we posthumously honor Dr. Wales for her lifelong dedication to education and her selfless contributions to PASR.

# President's Message

*As President of the Delaware County Chapter of PASR, it is with great reverence that I pay tribute to our departed members whose unwavering dedication and commitment to this Chapter left an indelible mark. We stand on their shoulders as we attempt to continue the good work they did so diligently. They have set a high standard that I humbly endeavor to uphold in navigating the challenges of leading this Chapter. It is a profound honor for me to commemorate their legacy in this manner.*

*To the family members of those whom we honored today, thank you for your presence at our Celebration of Life. Thank you as well to our Executive Director, Kristen Holjes, Region 1 Director, Dr. David Noyes, and past Region 1 Director, Judith Guise, for being part of these activities. Finally, to our members present here today: without you, none of this would be possible. So, a heartfelt thank you to you all!*

*As a closing note, I invite you to our Spring Excellence in Education Luncheon on May 1, 2024. It is an exciting occasion where we honor the achievements of graduating high school seniors with a college scholarship, extend a financial grant to one educator, present certificates of recognition to an outstanding educator and para-educator, and provide financial tokens of appreciation to High School Senior Science Fair Winners. It is a celebration of dedication and excellence in education that is truly inspiring.*

*Respectfully,  
Janice Hoffman Willis, Ed.D.  
President*
